COSMETIC CANCELLATION POLICY

Please read this policy carefully.

Your care is our number one priority! We thoughtfully set aside your appointment time. No shows, late cancellations, late reschedules and arrivals prevent us from being able to spend this time with you or another waiting patient.

A credit card on file will be required to schedule your cosmetic appointment. Cancellation or reschedule requests are required 48 hours prior. In the event of a non-emergent late cancel, late reschedule or no show, the card on file will be charged the amounts below.

In the event a credit card cannot be placed on file, a deposit in the amounts below will be required to schedule. In the event of a non-emergent late cancel, late reschedule or no show, the deposit will be forfeited.

The amounts listed are based upon the length of appointment time.

\$300 for CoolSculpting appointments

\$200 for combination laser appointments (Pure Glow, Pure Radiance, Pure Opus)

\$150 for any other laser appointments (BBL, Halo, Opus), microneedling, Kybella or filler appointments

\$75 for all other cosmetic treatment appointments and consultations

By signing the form below, I authorize Pure Dermatology to charge my credit card or forfeit my deposit for agreed upon fees as outlined in the Cosmetic Cancellation Policy above. I understand that my encrypted credit card information will be saved on file for future transactions on my account.

We value your time. *As unpredictable events may occur during patient care, our providers on occasion may run behind. Any patient that is inconvenienced is asked to contact the administrator, so the practice has the privilege to remedy the situation.*
